DSLR VIDEO ACCESSORIES

ARCA TO VIDEO ADAPTER

Our Video Adapter is designed to allow you to use your DSLR with your Arca-Swiss style plate on your fluid type video head.

- Easily holds 25 lbs. (11.4 kg).
- Fits all standard video heads (1/4-20 and 3/8-16 threads).
- Detent pin prevents plates from accidentally sliding out.

VIDEO LEVELING BASE

Model #1170

Our 74mm leveling base is designed to be used with fluid type video heads.

- Easily holds 25 lbs. (11.4 kg).
- Weighs only 5/8 lb (.27 kg).
- Allows 10 degrees of movement in any direction.
- Fits all standard 3/8-16 tripod heads
- Low profile design, only 1.82" (46mm) tall, not including stud.
- Oil-less and greaseless ball will not attract or hold dirt and debris.
